ABOUT US

We are delighted to extend an invitation to you on behalf of the Executive Board and members of the Southern California Chapter of the National Organization of Black Law Enforcement Executives (SCC-NOBLE).

We cordially invite you to participate in and support the upcoming NOBLE Region VI Training Symposium, set for March 1, 2024, at 8am and the 24th Annual Achiever's Award Dinner on March 2, 2024. at 6pm

These prestigious events will be held at The Grand Long Beach Event Center, located at 4101 East Willow Street, Long Beach, CA. 90815. Embracing our inspiring theme, "**Healing Hearts and Raising Hope,**" we believe your contribution will play a pivotal role in enhancing educational opportunities and providing vital resources to address this important issue.

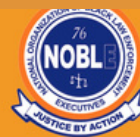

Established in 1985 as the pioneering chapter in the Western United States, the Southern California Chapter of NOBLE has a rich history. This letter serves to request your ongoing financial support to further our chapter's mission. NOBLE, an esteemed and internationally recognized organization, hosts events to honor the remarkable achievements of community members and law enforcement professionals in Southern California. As a 501(c)(3) organization (EIN: 52-149758502), our financial structure and membership size limit our ability to engage in all desired service activities. Therefore, we rely on support from organizations, corporations, and individuals to fulfill our long-term goals of awarding scholarships and serving the community.

Historically, the business community's generosity has been instrumental in our success. Annually, our chapter is committed to:

- Awarding at least \$2,000 in scholarships to young individuals.
- Providing numerous families with Thanksgiving and Christmas dinners, including turkeys and trimmings, and toys for children.
- Organizing Law and Youth Training presentations throughout the county.
- Offering free Health Services and Training in underserved areas.
